

Local Control Accountability Plan

Annual Update

Parent Forum

January 27, 2016; Goal Area Two, Three and Four

Goal Area Two

2a: Improve school climate by increasing student achievement with clear articulation of student behaviors.

- Explanation of teacher contract, purchasing of preparation time
- Preparation time for 1st- 6th grade teachers now possible with addition of 2 FTE PE teachers for grades 1st-5th and 2 Sections from 7-12 instructors
- *"Teach Like A Champion"*; highlighted three strategies that are being employed by teachers K-12
- Technology goal of 1 to 1; explanation of technology accessibility at the different grade levels
- Music Teacher; will fly the position for the 2016/17 school year
- 2 FTE PE teachers; intend to maintain the positons for the 2016/17 school year

2b; Support of socio-emotional development of students.

- Counselor time break down
- No Pricing Food Option; increase in number of students being served, paid category has increased at each site
- Drug Detection; district has hired an outside vendor to come on campus and complete searches

2c; Academic achievement will be measured by a system of accountability for student achievement with clear performance standards.

- District is in the process of identifying a program that would meet our needs for data collection and analysis

- Learning Center; will have a functioning learning center in the upcoming school year
- Common Core; increasing instruction over the last year
- Language Arts; looking at options, will adopt at a later time
- Single Plan for Student Achievement; aligned with LCAP, now approved in May/June versus the beginning of the year, document is approved by the School Site Council

2d; 21st Century Teaching and Learning

- Increase technology accessibility; 1 to 1 plan

Goal Area Three

3a; Recognition programs/parental involvement

- Recognition programs; highlighted current recognition events by site
- DELAC; recognized President Janet Martinez, as she was in attendance
- Parent Education; District will be offering ESL classes for parents at no cost
 - Additional topics; GED, forms, ABI and Immigration

Goal Area Four

4a; Facility Needs

- K-3; described the current proposed changes for the site
- District wide; facilities will need to be upgraded in stages

4b; Maintain and Improve Facilities

- Gym; currently used as a classroom, floor will last for one more year
- Security cameras; increase number if an identified need arises, update equipment as needed
- Football Field; proposed changes, received quotes for the stadium, this project will be managed at a later date

4c; Transportation Home for students

- Surveyed families; 85% of completed surveys indicated a need for transportation to the Valley Ranch area

- School District is in the process of purchasing a bus; multiple afternoon/evening routes to the area
